GABRIEL W. GORENSTEIN, UNITED STATES MAGISTRATE JUDGE

For the reasons stated in the defendant's letter (Docket # 191), the Court finds it appropriate to redact certain information from Docket # 163-12 and to unseal any other documents filed in support of the summary judgment motion that were originally filed under seal.

Accordingly, the Clerk is requested to modify the viewing level of Docket ## 153, 154, 155, 156, 160, 164, and 171 including all attachments to the public viewing level.

The Clerk is requested to maintain the sealing of Docket # 163-12. However, the Clerk is requested to modify the viewing level of Docket # 163 and its attachments with the exception of the attachment docketed at # 163-12 to the public viewing level.

SO ORDERED.
